

I.P.A KIDS ACTIVITY

Floating Ghosts

These floating Ghosts which could hang from hanging basket hooks and float in the breeze. These spooky Decor Floating Ghosts are so easy for the kids to make.

Hang them anywhere, ideal for parties or just decoration

You will need

A muslin square or other light piece of cotton

Starch Spray
Black Paint
Balloon
Paper Clip
Needle
Cotton

Here's how it's done

1. Blow up a balloon and find a tall container plus a cup of some description to hold the balloon in place.
2. Lay a muslin cloth over the top of the balloon and head outside
3. Spray the starch onto the muslin all over it. Once it was soaking wet put it in the airing cupboard - any other warm dry room will work and leave to dry overnight.
4. Then use some black paint and add the eyes to the ghost.
5. To make it float attach a paper clip to a piece of cotton. Thread the cotton through the head of the ghost making sure that the paper clip is on the inside. This will secure it.
6. Then create a knot and loop at the top.
7. Find somewhere to hang it and get making more.
