## PROFESSIONAL EXPERIENCE

---

**Fall 2022 – May 2025**

**Art Related Program Coordinator for the Center for Sustainable Design Studies at Pratt Institute, Brooklyn NY**

Collaborates with the Director of Sustainability for Academic Affairs to bring awareness for sustainability on campus through reports, services offered, and meetings.

- > Assist in data collection for annual AASHE Stars Report
- > Guided sustainability-focused events for Pratt Earth Action Week
- > Oversees donation store/service on campus: GiveTake

**Summer 2024**

**Design Intern at Blondies Tree House, Mameronek NY**

Designed and installed interior/exterior landscaping in commercial and residential spaces across the Tri-state area.

- > Designed and installed silk plants, live plants and green walls
- > Arranged silk plants to mimic nature
- > Catalogued inventory across multiple warehouses

**Summer 2021 – 2023 & Winter 2023-2024**

**Seasonal Intern at PPG, Oak Creek WI**

Worked throughout the paint manufacturing plant by performing lab testing, assisting in the manufacturing process, and designing better spaces for both organization and workplace satisfaction.

- > Assist on the manufacturing floor
- > Tested paint for quality control
- > Painted murals and walls throughout the plant
