

Interested in joining the

COVID-19

Vaccination Effort?

NEBRASKA

Good Life. Great Mission.

DEPT. OF HEALTH AND HUMAN SERVICES

WHO

Vax to Business is a program looking to partner with small businesses who serve vulnerable and rural populations

WHAT

The program allows small businesses to provide COVID-19 education and host vaccine clinics to help their communities prepare for future variants and outbreaks

HOW

Fill out attached application and send it back to:

dhhs.minorityhealth@nebraska.gov

Vax to Business: Join the community wide COVID-19 mitigation and vaccination effort today!
