PRESIDENT REPORT

Greetings all.

Today marks the beginning of March and hopefully the end of winter. But in this area, one never knows. Nonetheless, we still have some big events planned this month. When you talk the month of March the first thing to come to mind is St. Patrick's Day. We will be celebrating on Sunday March 17 with a day filled with the Ardan Academy Irish dancers and music by McOlden McYoung. And of course, lots of corned beef sandwiches from Marco's. It is always a very popular day for our branch, so make plans and get there early. We will be opening at 11:00am.

Another very busy day for us is our Good Friday fish fry put on by Marco's. Please make plans and remember to have patience and respect for all our patrons, bartenders and especially the kitchen staff. They are working hard all day to make sure your meals are served as quickly as possible.

The Ladies Auxiliary also have some great events planned this month. The ever-popular Craft Show is planned for Sunday March 10. They also have a pub crawl scheduled for Saturday March 23. Watch Facebook and our bulletin for times and tickets. The Ladies Auxiliary has put a barrel in the members lounge near the dart room to collect donations for youth lunch programs. This is a very worthwhile venture for them to take on and we support this cause immensely. A list of donation ideas is posted in the branch.

With our Tuesday Seniors dinner/dances, the Saturday meat draws and Saturday night dances going in full swing we are very busy and all for a good cause and lots of fun. The branch is already in full St. Patrick's decor, so let the festivities begin. Of course none of this is possible without the amazing work of our volunteers. They do so much for us. So, if you are in the branch and know of someone who has stepped up and donated their time and effort, a simple thank you can go a long way.

Lastly, we have our general elections coming on the last Sunday of April which this year is April 28th at 1:00pm. Nominations will open March 28th at our general meeting. They will open again April 28th (elections). If you meet the qualifications to run for the executive, and you feel you have something to offer for the betterment of Br. 255, please consider running or volunteering to be on a committee. What this Legion and all Legions need is people to step up in a positive way with new ideas and energy to keep us going in a positive direction. Thank you to all our membership and keep up the good work.

Thank you Ken Dault / President Branch 255

VETERANS SERVICES - Dave Jarvis / Chair

Rebecca Hyndman (Calder) Provincial Services Officer is coming to Branch 255 on March 22nd at 12 noon, Sign up sheet is on the Veterans Board.

THANK YOU

Hello and happy 90th anniversary to all.

What a great day we had, from our opening ceremony to the last song of the night we honoured our Branch and celebrated our accomplishments with so many of our members and guests in attendance.

Our opening ceremony was highlighted with many of our invited guests including Irek Kusmiersczyk who presented us with a certificate of congratulations from our Prime Minister Justin Trudeau and Andrew Dowie making a presentation on behalf our Ontario Premier Doug Ford.

Off course none of this would have been possible without the many volunteers who stepped up and showed once again why we are the best Legion around and the reason why we made 90 years with no signs of slowing down. Also, to Metro Grocery Store for their donation of the two beautiful cakes which were enjoyed by all and Marco's for all he has done. Also, don't forget to purchase a 90th anniversary shirt to wear and show how proud we are to be part of such a great organization.

So on behalf of myself and our entire executive thank you for your support and dedication and let's celebrate this anniversary for the entire year.

Ken Dault / President Branch 255

DID YOU KNOW?

What does it mean when there are coins on a gravestone?

When you see coins on a gravestone, this signifies that the person buried there was a member of the **military**. People who visit the deceased service member can leave a coin on the headstone so when loved ones come to the cemetery, they're aware that others have been to pay their respects, too. This moving sentiment can make a tremendous impact on the family of deceased military folks, which is why it's a special tradition.

It's also important to take note of the type of coin on the stone.

For instance, different coins hold different meanings.

What do individual coins on a gravestone mean?

- If you notice a penny on a gravestone, this signifies that a person has visited the headstone. It's an act of gratitude for the person's service. Anyone can leave a penny, whether they are a family member, friend or fellow service person.
- If there is a nickel on the gravestone, this means that the visitor who left it went to boot camp with the person buried.
- Next, if you see a dime on their gravestone, that signifies that the visitor served with the deceased military member.
- Seeing a quarter has a particularly heavy association. If you notice a quarter, this signifies that a previous visitor was present when the soldier passed away.

Life IS BETTER when you're **LAUGHING!**

"A place that looks this terrible just has to be fantastic!"

"If you wear the banner it's half price"

"Welcome back, Evelyn. There were some changes while you were away on leave"
