PRESIDENT REPORT

Greetings all.

I hope everyone had a very Happy Easter. Here at the branch our Good Friday fish fry was a huge success. Congratulations to Marco and his staff for serving great dinners in a very timely manner. Not only Friday but St. Patrick's Day as well. A lot of work for a lot of people. Also our bar staff who worked great behind the bar to keep everything going smoothly and efficiently. We are very lucky to have the staff in place behind the bar and behind the scenes with everything that Rob and Mary are doing.

March was a busy month which also seen nominations at our last general meeting. We had a good turn out and a lot of names were put forth for our upcoming election. That is good to see. Also at the general meeting was a motion to paint the paneling in the branch as to try and brighten and freshen up the branch. I know there was mixed feelings but when put to a vote it was overwhelmingly in favour to move forward. We will be putting out the call to our volunteers to come in and grab a brush. Watch for further updates.

With April here we will have a special ceremony to celebrate the 100 year anniversary of the Royal Canadian Air Force. This will occur on April 07th at 1:00pm. Marty Flanagan will be coordinating this event. So please plan on attending, it will be well worth it. Also on Saturday April 6th we will have Black Orchid playing. If you have never seen them before come on out for a real treat. Our ever popular Trivia contest will be April 11th and the Ladies Auxiliary have a corn hole tournament in the works. Watch for time and dates as this has shown a lot of interest and the inaugural tournament was a big success. With our usual schedule of meat draws, Tuesday seniors dinner dance, darts, cards and more we will be again be very busy. So come out and have some fun.

At our last general meeting we had 3 members of the Ladies Auxiliary in attendance. Maureen Fracas spoke on all the upcoming events that are either in the works or in the planning stages. The list was very impressive and I think they are to be commended for their hard work and dedication to Br. 255. I know their numbers were decreasing but I have a good feeling going forward because of the leadership team they have in place and a new energy going forward. That was on full display at the general meeting. Always remember a strong Ladies Auxiliary makes for a strong Legion.

In closing as always I want to thank the hard work and dedication of our volunteers. Whether at the executive level or decorating or anything done for our branch you have again shown why Branch 255 is the best. Thank you.

Thank you Ken Dault / President Branch 255

LADIES AUXILIARY REPORT - Maureen Fracas / President

March 10th Craft Bazaar was well attended by both vendors & public.

March 23rd Pub Crawl had 30 attendees get on the bus. This allowed a \$30 profit. We missed the opportunity of \$150 additional profit as they were turned away by someone informing them they could not purchase tickets. In the future a simple "come back when the barkeepers aren't so busy" would be appreciated. This did not involve bar staff. March 26th Bake Sale went well.

Fundraisers / upcoming Events will include:

- 1) CORN HOLE fun nights. 2nd Thursday alternating months to Ben Canniff's TRIVIA night. Starting May 9th if corn hole boards are ready. We will be asking for donations to our Community initiative snack bin.
- 2) Monday PASTA night. Monthly - Week to be identified depending on other branches seniors meals & community fundraisers. Will offer: Meat sauce & non meat sauce. Hope to start month of June.
- 3) PUB CRAWL - June - date to be confirmed. Amherstburg / Kingsville? 3rd destination somewhere between Kingsville & 255 possible Tecumseh, 594, Comber, Harrow?
- 4) CHILI COOK OFF - July - Date to be determined. Before May MTG. Will need 7 judges.
- 5) Seniors Tuesday BAKE SALES continue to be ad hoc to coincide with popular bands to optimize sales.
- 6) VETERANS CALENDAR "ready for September sale as of March's MTG Charlie Davis's photo on Juno Beach as cover photo. Nov. 2024 Moe Thompson as major contributor to Branch 255 survival. Nov. 2025 Charlie Davis, Rolly Demers need to identify significant dates - Women of our branch - group our veterans by service. Anyone with suggestions please contact us.
- 7) Silent Auction Prints - Would like to.
- 8) Poppy seed package sales
- 9) CHRISTMAS CRAFT BAZAAR - November 24, 2024. Will ask branch 261 for tables. They were generous for our March Bazaar.
- 10) Yellow ribbon Support Our Troops magnetic ribbons.
- 11) BREAKFAST WITH SANTA December 1 or 8 planning started.
- 12) Planting poppies in our gardens.

The Ladies Auxiliary wish to make special mention of branch 261. They generously loaned us 20 long tables to aid our March Bazaar. The tables were greatly appreciated!. Thank you to all the "guys of 255 "for returning the tables.

Report continues ►

Our community special initiative is going good we have continued receiving snacks in our blue drum. The donations have been forwarded to the school & and have been greatly appreciated. Lunches commence April 5 & will continue through to the end of school year & commence September. We will continue to collect snacks through the summer preparing the pantry for September. Thank you to all who are donating.

Branch 255 Ladies Auxiliary has a history of serving this branch with strong presence and service. This service continues without hesitation or regret.

We, the Ladies Auxiliary have in the past & will continue in the future

1. Supply soups & sandwiches for 2 weeks of Remembrance in November.
2. Supply desserts for significant banquets within this branch 255.
3. Granting monetary assistance as requested over the years especially our darkest years.
4. Manning the kitchen for Fish Fridays & Meat Draw Saturdays & many banquets when the branch needed draws into the building greatly.
5. Community Ambassadors promoting this branch and Legion in general.
6. Encourage membership building outside of this location during our daily conduct & conversations.
7. Populating the building with people.
8. Our own presence within the building.

Our Ladies Auxiliary members are a humble group of hard working women who do not boast or toot our own horn, but we want to identify our contributions to Br. 255.

For 20 years I have been a member of Br. 255 Ladies Auxiliary. During this time, our Ladies Auxiliary has not only funded purchases for the branch, but most importantly donated large monthly monetary sums. This occurred over many years without hesitation, without question, without reservation.

We thank Branch 255 for contributing towards our Biennial Convention. It is greatly appreciated in our time of monetary needs.

SPORTS REPORT - Ron Marshall / Chair

Our in house dart leagues are doing well and most importantly they support the bar.

Legion Sports:

We have 1 member (Mark Prutchick) who will be representing the Branch in Senior Darts on April 6th in Port Stanley. Good luck Mark.

I attended the Zone Sports meeting this past Sunday March 24th in Wallaceburg. There was a good turnout but many were missing.

The #1 issue is decline in participation. Much discussion on how to improve. All agreed that we need younger members in our branches and provide sports that they would participate in. ie. Cribbage is on the decline big time as most young people don't know how to play.

I will do my best to post the schedules and upcoming events in a timely manner as I receive them from the Zone Sports Chair. I will also be using our Facebook page and our monthly bulletin to announce upcoming events.

Currently there is a posting for Golf on the board. It is a 2 person best ball format and is being held at Roseland. Check the Board for further details.

The board is located in the dart room near the bar.

BAR REPORT - Bruce Tribute / Chair

The bar has seen a real surge in business this month. St. Patrick's Day sales were quite good as there was a capacity crowd all day. All four bar stewards were on duty and did a wonderful job of keeping up with the never-ending line for service.

The practice of issuing "chits" for birthdays, etc. at times creates a bit of a book-keeping problem. Another branch in the zone has begun giving out "poker chips" with drink designations etched on them to better keep track of gifts for our friends. I have been given samples for our perusal to see if this is something we would be interested in trying.

This month's inventory was pretty good, with only wine being brought into question. Draught Beer at -.2 kegs.....48.4% profit

Bottle Beer at -8 bottles.....60.2% profit

Wine at -4.66 bottles.....51.6% profit

Liquor at -1.162 bottles.....73.5% profit

Coolers at -1 units

This is a marked improvement and should be commended.
