PRESIDENT REPORT

As we begin another year, with optimism ahead, I would like to say thank you to the out-going members of our executive and a hearty Welcome - Aboard to our new members. A few positions have been shuffled and others slightly thinned-out due to 2 extra positions being created on the executive. This should make it easier for those members to better concentrate on the jobs at hand.

Thanks to Ken for a job well-done over the past year. He has left me with big shoes to fill and I shall do my best to fill them.

Branch 255 has become known for our success in staying afloat during COVID, but also our increases in membership. We must be doing something right because people want to be here. This is shown by the crowds on Senior Tuesday and Saturday night dances, not to mention the other events we host on a daily and weekly basis.

I am proud to be a part of this Legion Branch and will do my best to work together with all of you for the continued success of our organization.

With a big **THANK YOU**....Bruce Tribute

Front Cover **D-DAY - "MULBERRY"**

Without a deepwater port, constant supply and reinforcements were needed to break out of the beachhead. The solution was an artificial harbor built in England and brought to Normandy. Known by the codename "Mulberry," two of these harbors were designed to unload men and supplies. Thousands of soldiers and sailors were involved in this effort. Spud barges that floated up and down with the tide formed the center of the harbor's unloading activity. They were joined to the shore by floating roadways know as "Whales." In addition to the floating roadways, special barges were constructed that could unload LSTs while afloat and bring vehicles directly to dry land. "Courtesy of The National WWII Museum."

NEXT CORN HOLE FUN NIGHT - THURS. JULY 11

At 7pm Host - Ladies Auxiliary of 255. No charge to play, however, donations to our community project, is requested.

LADIES AUXILIARY REPORT - Kelly Campeau / Secretary / Treasurer

We would like to start by thanking everyone who supported our cornhole fun night. We had approximately 10-12 people participate, so it was a successful start. Our next event is coming up really fast! Bus trip and steak BBQ dinner on June 8; tickets are on sale at the bar. The bus trip and steak dinner are being sold separately. Thank you to the volunteers, but we will not need BBQ-ers.

Also coming up is our first fundraiser pasta dinner on Monday June 17 from 5:00-7:00. All you can eat pasta for \$15.00. 2 sauce options will be available (one meat option and one non-meat option).

Our June 4th bake sale has been cancelled due to a conflict. However, desserts for the D-Day banquet are on the way.

Please continue to keep our community initiative stocked with snacks. They are greatly appreciated. We will continue to collect through the summer to stock the pantry for the start of school in September 2024.

We are presently investigating a bus trip to Chatham Casino. Initial feedback would require \$15/seat to cover the bus expense. We would be looking at a school bus, not a coach – it's a 45 minute ride. At \$15per seat, this would not be a fundraiser. We would need feedback to guarantee cost of bus is covered before we can confirm a date.

Congratulations Maureen and Rob!

Member of Parliament for Windsor-Tecumseh Irek Kusmierczyk presents Maureen Fracas our Ladies Auxiliary President and Robert Garant Branch 255 member with Queen Elizabeth II Platinum Jubilee Hero Awards.
