Loose packets of veggies, fruits, oatmeal, seem to linger in the blessing box. If the box is full, overflow can be left in the storage closet in LL4 or in the collection box in the narthex. Thank you to all for your contributions!

- **Congratulations Church members and friends!!** Your donations, purchases, and continued support for the Joy Class and our garage sale helped us raise over **\$16,000** this spring. We have been doing garage sales over 44 years and this is the most funds we have ever raised. Additionally, our donations to numerous local nonprofit organizations were valued at over a thousand dollars. With your continued support, and the continued dedication and hard work of the Joy Class, we were able to share our joy and our countless blessings with many, many families in our Church and community. Our next sale will be on **October 14, 2023**. We hope you join us again. Together, we will again share the many blessings God has given us.

- **Church Management Software Change** - Union is updating our current church software, ACS, to Realm at the end of June. We are working through our church records and checking for duplicates or outdated information, but we need your help!
