## Coming this Fall - Adult Swim!

Do you ever watch for the release of movies you want to see and feel a little excitement when the announcement is made, "Coming this Fall." She probably won't admit it, but I think my wife, who endures my love of football season, might feel that way about any movie that isn't sports related!

Well, I don't expect to create the same excitement, but I want to pique your interest in a study I will be leading following our Wednesday Night Suppers this Fall. It's called Adult Swim. No, we haven't built a pool on campus, so let me explain.

At the Y and most community pools, there are times when it's adult swim only. The kids get out of the pool, and the adults have a chance to swim laps. We're not going to swim laps with our Bibles, but we are going to dive deeply into some into some things we normally don't take time to look at.

I could have titled the study 'Insights and Skills for Understanding and Interpreting Scripture.' But who's going to come to a study entitled that! Still, I realize one of the great divides in the church today is the way we interpret scripture. There are variations, but the two basic camps are literal interpretation and historical interpretation.

The literal interpretation gets summed up in the slogan, "The Bible says it, I believe it, and that settles it." Taking a scripture passage literally is a choice one makes, and it is usually made by having to ignore other passages that say something different.

What I call historical interpretation is part of our Methodist heritage. John Wesley, an Oxford scholar, encouraged the use of tradition (how the scripture had been interpreted by the church through the ages), the guidance of the Spirit (experience), and reason, which in his day was seen as the opposite of faith.

We will look at the challenge created by a "reason" based search for the truth of scripture and the role of faith in our searching. We will cover how scripture came to be scripture, and what are the pre-scripture sources available to us that help us understand that process.

We will also learn some basic study "tools" that anyone can use to first, seek to understand the passage in its original time and setting, and secondly, understand how the passage speaks to us in our time and setting.

I think we will discover the Holy Spirit uses scripture, and our earnest devotion to understand it, to allow us to grasp its meaning and receive insight and inspiration on many levels. And in the process, we'll have fun making a big splash!

So, bring a Bible (and notebook if you wish) and join me on Wednesday evenings beginning September 11th. Supper in the FMC gym is from 5:15 to 6:15pm. Adult Swim is from 6:30 to 7:20pm and will be in the Fellowship Hall. Life preservers will be provided!

- Blessings, Stephen

## The Rule of 72

The Rule of 72 is a quick way to estimate the length of time it will take for an investment to double in value given a fixed annual rate of return. Simply divide 72 by the annual rate of return to approximate how long it will take to double in value. For example, an investment earning 9% a year will take 8 years to double in value ( $72/9=8$  yrs). The Endowment Fund has earned a 7.8% annualized return since the inception of the fund. It would take 9.2 years for the Fund to double in value if it consistently earned that rate of return each year. But the Fund does not use compounded earnings to grow. It retains enough earnings to cover the value lost to inflation then it makes the rest of the earnings available to build new ministries. The growth of the Endowment Fund is dependent upon gifts. Please consider making a gift to the Union Endowment Fund to grow both the Fund and the ministries of Union. Go to [www.unionirmo.org/endowment](http://www.unionirmo.org/endowment) for more information.

# BACK TO SCHOOL BASH

Sunday, August 4th, we kicked off the school year with our second annual Back to School Bash. The Union Praise band led us in worship and Reverend Faye Jones blessed the bookbags of over 100 children and prayed for a safe and happy school year. It was a great day in the Sanctuary and in our FMC Gym as we tried to beat the heat by having games and fun indoors. The laughter and smiles on the faces of our youth and children was an encouraging sight to see. We appreciate the many hands that went into making this a fun afternoon.

In addition to fun and fellowship, we also collected many items for our Snack Pack Program and handed out school supplies for those who need a helping hand this school year. We continue to be amazed at the generosity shown to these children by our church family. We also want to thank Moe's, Dogs on the Run, and Kona Ice of Irmo/Chapin for a wonderful dinner and dessert! The 360 degree photo booth was a also a hit for all ages!

We pray each of our children, youth, teachers, administrators, and support staff have a wonderful and safe school year!

Is gearing up for fall! Our first meeting after the summer break will be held Tuesday, **September 10**, at 1:10 p.m. in the Fellowship Hall, and we will be discussing *When Others Shuddered: Eight Women Who Refused to Give Up* by Jamie Janosz. These women –

Fanny Crosby, Mary McLeod Bethune, Nettie McCormick, Sarah Dunn Clarke, Emma Dryer, Virginia Asher, Evangeline Booth, and Amanda Smith – lived at the turn of the century and were all different. They were single and married, black and white, wealthy and poor, beautiful and plain, mothers and childless. Yet each felt called to make a difference and do something to meet a pressing need in her world. There are 4 copies of this book in the UWF Library.

As you read about these eight women, please select the two that impressed you the most. Come join us and share your “top two” and the reasons they impressed you.
