

Calling all church members who have a passion for helping our Union Day School!

By volunteering ONCE a week you are investing in our children and school. Some jobs are hands on with children and others are working in a school-wide setting. For 50 years our church has been involved in this ministry and we ask for your continued support.

If you like to organize, putting together classroom items, decorating, storytelling, working with children, then please contact Ann Copelan at ann.columbia52@gmail.com for more details.

Below are brief descriptions of the volunteer opportunities:

- Volunteer in individual classrooms for 1 Hour a week
- Volunteers to make playdoh once a week
- Volunteers to help with maintenance of the Big Room - spruce up/ fixing signs as they get torn, decorate during seasonal times, etc. typically once a week
- Volunteers to help organize and clean out Room 2
- Volunteers to do the woodworking class in the Big Room or be a storyteller, dress in a costume and visit classrooms once a week

If you are working with children, you will need a fingerprint check and a TB test to ensure the health and safety of our children and staff required by DHEC. The forms are simple to complete and Ann has these forms. If you are working in an office or school wide setting no forms needed.

This ministry will bring our community of school staff and church members together and allow them to see our commitment to our school!!

**Deadline for volunteering is Wednesday, September 25.
Jobs begin October 1, 2024.**
