

BESPOKE TEAM DEVELOPMENT PROGRAMME

Proposal Overview

Thank you for considering our services. In today's rapidly changing business environment, developing a resilient, emotionally intelligent, and high-performing workforce is crucial. We offer a tailored solution that begins with a comprehensive survey to assess the specific needs and challenges your employees face. Based on the survey results, we will design and deliver three bespoke 2-hour workshops, focusing on the areas of greatest relevance to your team.

Key Benefits

- **Tailored to Your Team:** Each workshop is designed specifically based on the feedback from your team, ensuring the content is directly relevant and impactful.
- **Flexible Delivery:** The workshops are delivered at convenient intervals to allow for learning and application over time.
- **Comprehensive Topics:** From Emotional Intelligence to Creative Thinking, the broad range of topics covered ensures all aspects of personal and professional development are addressed.
- **Sustainable Impact:** The 6-week interval between sessions allows participants to reflect, apply, and build on what they learn in each workshop.

SERVICE STRUCTURE

1. Initial Employee Survey:

- A detailed survey will be sent to all employees, focusing on identifying key development areas and challenges
- The survey will cover various aspects such as:
 - Emotional Intelligence
 - Mental Health
 - Building Resilience
 - Self-Leadership
 - Time Management
 - Growth Mindset
 - Work Culture
 - Understanding Unconscious Bias
 - Communication
 - Physical and Mental Well-being
 - Managing Priorities
 - Conflict Resolution
 - Creative Thinking
 - Decision Making
 - Promoting Equality and Diversity
- Employees will select areas they feel are important for their development or where they face challenges.

2. Workshop Design:

- Based on survey results, we will design 3 bespoke workshops, each 2 hours long, that address the most pressing needs identified.
- Each workshop will focus on a different theme, allowing the team to deep dive into specific topics.
- Example topics include but are not limited to:
 - Enhancing Emotional Intelligence
 - Strengthening Mental Health and Well-being
 - Building a Resilient Workforce
 - Fostering Self-Leadership and Time Management Skills
 - Creating a Positive Growth Mindset Culture
 - Promoting Better Communication and Conflict Resolution
 - Managing Priorities and Decision-Making
 - Encouraging Diversity, Equality, and Unconscious Bias Awareness

3. Workshop Delivery:

- The workshops will be delivered with a 4 to 6 week interval between each session, ensuring enough time for practical application and reflection between workshops.
- These sessions will be interactive and engaging, utilising a variety of tools and activities to ensure maximum impact and retention.

4. Post-Workshop Follow-up:

- After each workshop, participants will have actionable takeaways to implement in their day-to-day work.

NEXT STEPS

If you are happy to go ahead with the proposal please confirm by sending an email and we will start the process.

- **Survey Distribution:** We will begin by distributing the survey to all employees.
- **Customised Workshop Plan:** We will take your input on what you feel the strengths and weaknesses are at this stage. After analysing the survey results and your suggestions, a tailored workshop plan will be presented for your approval.
- **Workshop Scheduling:** Dates will be arranged with you for the 3 x 2-hour workshops, spaced 4 to 6 weeks apart.
- **Workshop Delivery & Follow-up:** Once agreed, the workshops will be delivered as per the schedule, with any necessary follow-up support.
