

2023 Show Season Information

We are excited to kick off the 2023 show season at Holly Valley! This year we will be attending shows sponsored by Rolling Hills Saddle Club, Midway Saddle Club and a few select Cheryl & Co. shows at Wills Park Equestrian Center. Additionally, Holly Valley will be hosting a Spring and Fall show, dates to be determined. Both Rolling Hills Saddle Club and Midway Saddle Club offer year end awards. To see how to qualify, please view their individual websites for information on membership and awards. Please note that qualification for year end awards for saddle clubs may require participation in a certain number of shows. Links can be found on HVES website.

On the following page is the show schedule for this season. Please note, all show dates are subject to change. Riders are not required to attend all the shows! We wanted to provide a schedule that offered a variety of opportunities at different levels of competition. Holly Valley will have an IEA team for the 2023-2024 season. IEA sign-up will be in August and shows will start in November. More information about IEA will be sent out closer to the season opening.

We will need commitments on shows as early as possible to secure dates and timely registration.

The following fees, in addition to show registration fees, are required for each show riders participate in:

- Trainer fee \$75.00 (fee includes pre-show lesson, packing/unpacking, mane pulling, muzzle trimming, show prep and training)
- Hauling fee Dependent on travel distance and number of horses
- Unpacking fee \$25.00 (only if rider is unable to return to barn after shows)
- HVES Horse Use fee \$50.00 (for riders who do not lease or own the horse they show)

We will be designing a variety of Holly Valley Equestrian Team gear. Purchasing team apparel and gear is not required. Information about team gear, pricing and ordering will be sent out soon.

Coaches will be purchasing all new matching buckets, saddle racks, feeders and hay bags for this show season. We would love to have sponsors to support our team by helping with expenses and financial assistance opportunities for riders who may need help securing required show apparel and gear. Please see sponsorship form attached.

If you are unsure what proper show attire entails, this is a great link to get more information:
