

C.A.C.F. ANNUAL REPORT 2017

Message from Carberry & Area Community Foundation Chairperson

2017 was another year of consistent growth and gifting for the Carberry and Area Community Foundation. The fund has grown to \$2,939,639.00 and over \$55,000 was gifted back to the community in 2017.

These grants were for projects supporting education, green space, health care, arts and culture, recreation, agriculture, heritage and community programs. Thank you to all the organizations and the volunteers who are dedicated to these projects.

We wish to express our appreciation and thanks to Andrea Blair, Valerie Elliot and Brad Wells who completed their terms as board members. Their loyalty and dedication to the Foundation will be missed. Our new board members in 2017 are Karra Knol, Kevin Hood and Darcy Zander. We welcome them and look forward to working with them.

I wish to express my gratitude to all the board members for their input and work for the Carberry and Area Community Foundation. On behalf of the Board I thank Brianna Renwick for her enthusiasm and dedication to her position as Executive Director. Thank you for making our job easier.

The Carberry and Area Community Foundation has shown consistent growth from its beginning. The grants that are given back to the Community from this support help it to grow and thrive. Our goal is to continue on this path. Please consider the Foundation as a worthy recipient if you wish to create your own legacy.

Sincerely,

Blair Graham

Prepare your estate to create your legacy

When preparing your will, consider creating a Scholarship or Field of Interest Fund from your estate proceeds. This a great way to promote and support your values, and an excellent opportunity for your friends and family to learn more about what’s important to you.

24 Hour Giving Challenge 2018 – Saturday, November 17

Put down roots. Grow your community.

There's never been a better time to help our community grow! **YOUR \$5 GIFT BECOMES \$7**

For one day only, you can make an even bigger difference to Carberry and Area when you give to Carberry and Area Community Foundation. On November 17, 2018, all gifts made to Manitoba community foundations will be stretched by a contribution from The Winnipeg Foundation and the Province of Manitoba. For every \$5 you give to Carberry and Area Community Foundation's Community General Fund, The Winnipeg Foundation and the Province of Manitoba will each add \$1. (The Winnipeg Foundation and the Province of Manitoba will each provide a maximum of \$2,000 per foundation.)

"We are thrilled to partner with the Province of Manitoba on this important, provincewide initiative," said Rick Frost, CEO of The Winnipeg Foundation. "Working together, Endow Manitoba's 24-Hour Giving Challenge shines a bright light on the important work being done across the province by Manitoba's community foundations."
