# ANNUAL REPORT

## Message from Carberry & Area Community Foundation Chairperson

Carberry and Area Community Foundation is built upon and relies heavily on the support of the communities that we serve. Through that continued support CACF has been able to build its fund base to more than 4.2 million dollars. In 2022 CACF, through the course of the yearly granting cycle and in collaboration with our partners in philanthropy, was able to gift more than \$140,000.00 to the community of Carberry and surrounding area.

Community engagement through events such as creating the Community Wellbeing Survey, hosting the Vital Conversation, and facilitating the Estate Planning Sessions allow us to remain aware of the needs of our community. Hosting board training sessions with Endow Manitoba and attending the provincial Community Foundation conference strengthens the ability of CACF to engage with and effect positive change in our community.

CACF would like to express much gratitude to departing board members Kevin Hood, Darcy Zander and Jeremy McPhee for their years of dedication and stewardship. We are excited to welcome Betty Buurma, Tannis Graham and Devin Waldner to the board and look forward to working with them to continue making a positive difference in the community.

I would like to thank all the board members of CACF as well as our Executive Director, Brianna Renwick, for the hard work and dedication that is devoted to helping CACF strive to have meaningful impact. I'm excited to see what the future holds for CACF and the communities that we support.

Ian Dyck  
CACF Chairperson
