ANNUAL REPORT

Message from Carberry & Area Community Foundation Chairperson

Carberry and Area Community Foundation takes great pride in the engagements and partnerships that we are fortunate enough to create within our community. With the continued support of the communities we serve and the partnerships we have forged, CACF has built a solid fund base totaling over 4.8 million dollars. In 2024 CACF, through the course of the yearly granting cycle and in collaboration with our partners in philanthropy, was able to gift more than \$188,000.00 in grant money and nearly \$28,000.00 in scholarships to organizations and citizens of Carberry and surrounding area.

This year, CACF hosted community events including the Memory Tree Lighting Ceremony and the Community Impact Celebration, allowing us the opportunity to engage with the community in meaningful and impactful ways. Inviting local businesses to become partners in the Giving Challenge allowed us to strengthen our relationships with the business community while greatly increasing funds raised during the campaign.

Facilitating board training sessions with Community Foundations of Canada and Endow Manitoba strengthens the ability of CACF to engage with and effect positive change in our community. In 2024 CACF had the opportunity to collaborate with Community Foundations of Canada to develop a Strategic Plan that will guide and shape the future of the CACF.

As her term ends with the Board of Directors, CACF would like to acknowledge Kim Adriaansen for her years of support and dedication to philanthropy in the community. We welcome Leonard Birch to the board and look forward to working with him as we strive to make a positive impact in the community.

I would like to extend a message of gratitude to CACF Executive Director Brianna Renwick and the entire Board of Directors for their continued effort and dedication devoted to helping CACF make a positive difference in the communities we support.

Ian Dyck
CACF Chairperson
