There were three locations to select from designed for multiple families to stay together. The Atlantic Breeze Ocean Resort was the first choice and the Hilton Resort Property was the 2nd choice voted upon. Both properties require the first night deposit for the room. We will stay at the Hilton Resort Property, the 2nd choice, because you will not lose your deposit if you need to cancel your room by June 1st. You would have lost a part of your deposit if we went with the other property.

The resort includes family daily activities, dining, the beach, nine pools and the Splash! Water park. The water park provides family fun with thrilling slides, a lazy river and children's pools. Maintain your exercise routine at the 50,000 sq. ft. Sport and Health Club or take a fitness class. There is also FREE shuttle service to surrounding shopping centers and restaurants.

If you share a 2 or 3 bedroom condo, the cost would be approximately \$169 per night per bedroom with a private bathroom for beachfront. Most condos are around 1500 square feet with full kitchen, sleeper sofa, and 2 or 3 full bathrooms. Contact another family member and share a condo! You should reserve the first night immediately since prices could change if you wait! If you don't want to stay on the beach, you could get a better price.

Hotels are usually more expensive during the summer months in Myrtle Beach. If you find a better hotel price, please take advantage of it and join the family on Friday and Saturday.
