

VIZSLA CLUB OF GREATER NEW YORK - FUN DAY 2025

The Vizsla Club of Greater New York will host a field training day, picnic and fun day on Saturday, June 14th Chris and Christine Arnone (Kreeksyde Vizslas) will share their home and grounds for the day in upstate New York. They live about two hours from New York City. **They are Class "A" Game Bird Breeders and a Class "B" Shooting Preserve with the NYSDEC. Note: There will be no discharge of fire arms on this day!**

There will be an introduction to birds, which is especially great for young puppies. If your dog has never been exposed to birds, this is an ideal way to see what he can do **or if you've done it before and just want to try it again.** Cost of Puppy Game Bird Introduction is \$20.00 per dog, which includes two (2) live birds and 15-20 minutes in the bird field. Reservations must be made in advance when you RSVP with Christopher. Those that sign up, should arrive early (9-9:30 am). Additionally, please complete and return the Release and Hold Harmless Agreement when you arrive and check-in. No exceptions.

We will also have an introduction to agility, which the dogs really enjoy. The VCGNY hosts two AKC Fetch events during the year so we will also have a Fetch demonstration so you can see what it is all about. We will try to hold a conformation class for those interested in seeing what the AKC show stuff is all about at the end of the fun day.

You do not have to participate in the field, agility or show events to enjoy the day. Everyone is welcome to come and enjoy lunch, raffle, games, the grounds and the creek. It is a great way to meet other Vizsla people, to make new friends and reminisce with old friends. Remember, it is a VIZSLA fun day, so Vizslas and their owners only.

You will also need to bring chairs, bug spray, a long lead and WATER. All dogs must be kept on leash. Of course, remember to clean up after your dog. There will be receptacles on the property to dispose of the poop bags.

The day will feature puppy training on birds with your dogs and we will have live birds for this activity. Bird work will begin in the morning with agility running at the same time. We hope to finish by lunch. If time allows we will have some games for the dogs after lunch, along with splash and swim in the creek for the dogs as well.

Now for the particulars on lunch - There will be no charge for VCGNY members. Non-members will be \$15 per person or \$25 per family. We will be ordering trays of food and we ask that members bring salads and/or desserts to share. **We also plan to hold a fun raffle so please bring a dog related item to raffle.** If you wish to join the VCGNY we will have applications available, and if joining, the fee for the day will go towards the membership dues.

Please contact Christopher Arnone to RSVP, coordinate reservations for the birds, salads, desserts, and directions. Please call 914-475-3008 or send private facebook message. Chris will provide detailed directions to those attending
