## Thank You!

We appreciate everyone for supporting our move from private fund to public charity!

Without you, we wouldn't have thought it was possible!

## Our Gift Wish List

We want the war in Ukraine (and everywhere) to end

For people to not use violence to spread their message &/or agenda

Russia to remove all their military from Ukraine

No more innocent lives to be taken

Everyone to have a home to go to at the end of the day

Have food and water

**Most of all, live and be free**

## Voices of Children

Our first beneficiary of our non-profit is [Voices of Children](#). They will receive at least 90% of all donations made from this month and January.

**Voices of Ukraine** provides children in Ukraine who are now victims of war with psychological and psychosocial care.

**"No child should be left alone with the experience of war,"** is their mission and we agree. Hundreds of children have been victims of many war crimes, we won't ruin your holiday by listing them or the numbers.

Keep the children and people of Ukraine in your hearts and thoughts. This is the first year that all of Ukraine will celebrate Christmas today as before many celebrated in January for the [Russian] Orthodox Christmas.

**"To the world you may be one person; but to one person you may be the world." -Dr. Seuss**

We might not be able to save the world but if we can help just one child in Ukraine we are changing their world.

**Have a great day and appreciate the time with your friends and family in safety.**
