## **GROW SHEET**

Veggie	Season	DS	ТР	Spacing	# Days to harvest	Variety	# of days to TP	Date seeded	Date transplant ed	

This sheet accompanies the class Planning Your Garden. This class is an intermediate gardening class. Once filled out, the Grow Sheet will help you with planning your garden for the year. In the first column marked "Vegetable", enter in your must-have vegetables for the year down the column. Fill-in the reamining information for each row on the sheet from both the Cool and Warm Season Characteristics handout. Full information on how to use the form can be found in the video on our website
