

**The New Jersey Dental Hygienists' Association Virtual Annual Conference
October 20 and 21, 2023**

NJDHA is again going virtual for 2023! We won't be able to accomplish everything; however, we don't want to forget our corporate friends. We intend to eventually be back to a live event but in the meantime – join us for a 2023 Outreach.

OUTREACH

NJDHA will have many email-blasts & registration contacts to dental hygienists regarding our virtual meeting. For corporate friends interested in an outreach to our members, we can provide the following option:

Each Email Blast or registration contact prior to Annual Conference can contain YOUR outreach to include:

- YOUR logo
- YOUR outreach linked to YOUR website or email address of YOUR choice
- YOUR tagline, limited to 25 words
i.e. Get info on our new product
