Dear Scholarship Applicant,

The Fairbanks Retired Teachers' Association represents hundreds of years of teaching service within the Fairbanks North Star Borough and the State of Alaska. Although we are no longer actively involved in instruction, we remain very interested in the quality of education and the success of students in the local school system.

This year we have raised enough money to offer **three (3) thirty-five hundred dollar** (\$3,500) FRTA scholarships to graduating seniors to attend at the college of their choice. <https://akfrta.webstarts.com/packets>

Any student graduating from a Fairbanks North Star Borough School District public high school during the 2025-2026 school year may apply for these scholarships.

Your packet should contain the following:

1. Completed application form for scholarships.
2. One **official transcript, must include 1st semester of your senior year, with your application.**
3. A brief biography of your past accomplishments, your future plans and community service. **This should be a separate letter. Please do not consider your notes on your application to be your biography letter.**
4. **Two (2) letters of recommendation** from any of the following, non-family adults, who have known you for more than two years: teachers, employers, ministers, scout leaders. You have selected to print the Application for FRTA scholarship.

The deadline for **submitting this packet is March 15**. All applications must be postmarked by midnight, **March 15**. Late mailings will not be considered for this award.

Please mail the complete packet to:
