PATRIOT Parade

Patriots,

What an incredible start to the 2023-2024 school year! We are off and running with a lot of changes this year, and we wanted to make sure that you are kept aware of everything that we have going on at LBHS.

In our 9th and 10th grade English classes, we are continuing our supplemental curriculum for your student to help prepare them not only for F.A.S.T. testing, but for their junior/senior years and beyond. The pre-AP curriculum from the College Board is designed to help give your students more access to the standards that they will be assessed on in their 9th and 10th grade years, and we have high hopes for this program moving forward. Ask your student about their College Board account—yes, they have one, and it is active! With new standards in all of our English and Math classes, plus some in Science and Social Studies, we are trying to think of creative ways to ensure that your Patriots are *Meeting the Challenge*. If you have any questions about our curriculum and instruction in a specific area, please don't hesitate to reach out!

The fall is always an exciting time for high school students, and we have several amazing activities planned for this semester and beyond. Outside of our academic work, we have a ton of athletic and artistic events happening around campus, culminating with our spirit and Homecoming week October 30 through November 4. As always, it is a great time to be a Patriot!

I want to thank each and every one of you for your support as we got this school year going. I am so lucky to be able to work with such a tight-knit community of individuals who have one goal in mind: the well-being of our students and getting them across that finish line! Thank you all for everything that you do to help us, and Go Patriots!

LBHS PTSA

Welcome back, Patriot families! PTSA started the year with a welcome back faculty breakfast and helped with student orientation. We visited campus to serve popsicles to all of our students and hosted a successful Coffee with the Counselors.

LBHS PTSA supports students and staff through events, donations, and scholarships. A **parent membership** is only \$10 and it requires all the volunteering you like, or none! We love helping out on campus, but volunteering is absolutely not required to be a member. Please see the QR code below to join.
