

WEST HARPETH CHRISTIAN TUTORIAL

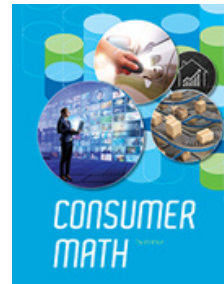

Consumer Math

Tutor:

Carrie Rezmer
crezmer@gmail.com

Prerequisites:

- Algebra I
- Geometry
- Please check with your umbrella school on the timing of this course in order to fulfill their specific math requirements.

Course Description

Consumer Math helps students develop the knowledge and skills they need to successfully handle their personal finances.

Topics include income, budgeting, personal banking, borrowing money, transportation, food, clothing, acquiring housing, maintaining a home, life and health insurances, incomes taxes and vacations.

Stewardship and Scriptures features encourage students to view their handling of money in light of Scriptural teaching.

Books & Supplies

- **BJU Press Consumer Math**, 3rd edition
ISBN - 9781628566413
- graphing calculator
- 3-ring binder

Commitment

- This course meets on Tuesdays AND Thursdays.
- In-class or online quizzes and tests will be given every chapter.
- Bring a calculator to class everyday.
- Students (not parents) are responsible for knowing the due dates for all assignments, quizzes and tests.
- Homework should take 2-3 hours a week.

A typical class will look like...

All students should come to class prepared to discuss the reading and assignments.
Class time will include a review of homework, Q&A sessions and a discussion of projects.
Quarterly tests will be in-class every 8 weeks.
