Students will get their hands on actual Bibles, as they learn the books it contains, and the groupings of those books.

First semester, they will see why God made us and the world, and be introduced to our common history and purpose. They'll examine how God created the world, how the first family was established, and how sin entered the world. They'll learn about worship's beginnings in the era of Noah and about the adventure of faith begin with Abraham and many other biblical figures: Joseph, Moses, Samuel, David, Josiah, Daniel, and Esther.

Second semester they will discover New Testament heroes, and find their place in God's story.

Homework is very simple, and encourages students to weekly apply the truths they are learning to their lives.
