Course Description

Since the Garden of Eden, God has been revealing the kind of loving and personal God He is. This course covers the beginning of time, through Jesus' life on earth, c.A.D. 30, from a Christian worldview.

From the Publisher:

The Mystery of History, Volume I is written from a Christian, young-earth, perspective, teaching children to see God's hand throughout history...and how the Gospel of Jesus is the mystery behind all of history! Written in a conversational style, many lessons are presented in the form of mini-biographies, integrating fascinating stories with the events of the time.
