

WEST HARPETH CHRISTIAN TUTORIAL

ACT Prep

Tutor:

Faith Aikens
faikens@westharpeth.org

Prerequisites:

- Algebra I
- Geometry

Course Description

This course is designed to review grammar and math concepts as well as present test taking strategies for all sections of the ACT.

Books & Supplies

- **The Official ACT Prep Guide, 2024-2025: Book + 9 practice tests**
ISBN 978-1394259915
- Graphing calculator, Ti83 or Ti84
- Notebook with pockets

Commitment

- This course meets once a week and is a .5 credit course that is taken in Fall or Spring.
- Due dates for assignments are firm.
- Students will be graded for *punctual completion of assignments*, not on test scores.
- Assignments will include practice tests and other handouts.
- Students should be expected to spend up to 2 hours per week on homework.

A typical class will look like...

Test questions and handouts will be reviewed, new concepts will be presented, and we will discuss and practice test taking strategies.
