

MEET OUR 2025.26 BOARD

Meet the families who are serving WHCT! These families change every 2-4 years and serve in critical roles for our tutorial.

ANDY & SHAYNA BOSQUET

Board Chairs

Hello! We are Andy & Shayna Bosquet.

Our family has been a part of West Harpeth since 2018 when we were seeking passionate and gifted teachers. We have three children, one still at WHCT. Our oldest two graduated WHCT in 2023 & 2025. WHCT has provided quality academics, mentor teachers, and social connect in a God-fearing environment. Outside of tutorial, we are active member of our church and enjoy golf, reading, gardening, and cheering for our kids at various music and sporting events. We also serve on the board for Overture Music Academy, which is a local nonprofit that provides music ensembles for homeschoolers. Shayna is also the instrumental music director at Overture. As we serve on the WHCT board, we aim to come alongside students and parents as they navigate the middle and high school years. We believe God has a distinct purpose for every student.

Hello.

We are Tom & Devon Cunningham!

This will be our fifth year as part of the WHCT family and our second on the board. We have loved being a part of this community. Devon teaches the high school Apologetics class and Tom is a physician with his own Vein Care practice. We are looking forward to serving as vice chairs this year and getting to know more families!

Hello. We are Blake & Summers Downing!

Hello! We are Blake and Summers Downing. Our family has been a part of WHCT since 2022. We have three kids; our son Avery is a junior, our daughter Emelyn is a freshman, and our youngest daughter, Lillian, is a 7th grader. As parents, we value WHCT for the academic offerings, strong sense of community, and connection with other like-minded families who love and seek the Lord! We are so grateful for this body of teachers, parents, and students, and we are excited to invest here and serve in any way we can!

Academic Affairs Chairs

Hello!

We are Marc and Recah Theodosiou.

This is our family's third year at West Harpeth. Our two boys have been homeschooled since Kindergarten and are now a senior and a sophomore. High school community and quality teaching are what brought us to WHCT, and we have not been disappointed! We look forward to investing time in serving West Harpeth this year. We are from South Africa, and our boys were born in Nashville. Other than being actively involved in our church, we love sports, eating out, and traveling.

GARY & HEIDI SCHELTON

Student Affairs Chairs

studentaffairs@westharpeth.org

Hello!

We are Gary & Heidi Schelton.

While our family is new to WHCT, joining in 2024, we have already been blessed immensely by this tutorial. We have 3 children, Olive in 9th grade, Lake in 7th grade, and Grey in 5th grade (not yet at WHCT.) Wonderful tutors, new friendships and exceptional academics are just a few reasons we love West Harpeth. Olive and Lake have enjoyed classes from math, science and history to electives like cooking, art and theater. One of their favorite parts of WHCT is the opportunity to attend social events and connect with friends. We are honored to serve on the board as the Student Affairs chair and pray for guidance as we continue to foster community.

FRANKLIN & JASMINE

BEAR

At Large

Hello! We are Franklin & Jasmine Bear.

We've homeschooled our kids since Kindergarten, with the support of local tutorials. When we moved to Middle Tennessee in 2022, we felt led to West Harpeth Christian Tutorial—and it quickly felt like home. With its strong faith foundation and close-knit community, WHCT has been a blessing to our family. Our oldest graduated in 2025, and our youngest will graduate in 2029. Jasmine recently completed her first year as a Social Hall monitor and is excited to return. We're grateful to serve and support WHCT as at-large members of the Board.

KIRK & JULIANNE KIRKLAND

At Large

Hello! We are Kirk & Julianne Kirkland.

Our family has been a part of WHCT since 2021. Campbell is in 11th grade, Kate in 9th , and Caleb is in 6th grade, his first year at WHCT. We are thankful to be a part of a tutorial like WHCT where our kids can be challenged academically, nurtured spiritually and develop community. We look forward to serving WHCT this year as board members.

MIKE & STEPHANIE

SOFKA

At Large

Hello!

We are Mike & Stephanie Sofka.

WHCT has been a huge part of our lives since 2018. We have five children, three of whom are currently attending WHCT. Our oldest son Garrett graduated from WHCT, Cole is a senior, class of 2026, Elliana is a Freshman, and Ezekiel is in 7th grade. Titus is in 3rd grade, so we have quite the number of homeschooling years ahead of us. The biggest impact that WHCT has made on our family is the deep and lasting friendships that have developed over time. We are forever changed by the weekly opportunity to be Kingdom-minded and to pour into each other as fellow followers of Christ AND Homeschoolers.
