

Prerequisites:

- This class is for beginners but open to all students - all levels are welcome.

Course Description:

This course is designed for anyone, regardless of skill. The objective is to help improve their abilities, regardless of experience, and have fun doing it.

Students will learn the fundamentals of drawing, painting, designing, and sculpting. Students will learn to look at the world from different perspectives. They will become familiar with different art styles and media including digital. Students will learn about different artists and the history that influenced their art.

Commitment:

- This course meets once a week and is a full year class.
- Art A & B are identical courses offered in two different periods.
- Homework is minimal.
- 90% of the grade is based on participation.

A typical class will look like...

The course will start with basics and figure drawing, then we will move on to other fun projects. Each class begins with some instructions. The rest of the class is used as studio time.
