

Academic Calendar & Schedule

- Please look over the schedule for the entire year before the academic year begins.
- .Make notes on your family's calendar.
- Please note that our WHCT Event calendar is only available on the member side of our website. You'll need to go into our "Events and Announcements" button to find this.

- If you are a paper and pencil family, print out the calendar and schedule in the following pages.
- Put a copy on your refrigerator or family planning center.
- Print out copies for your student's binders. This will keep them on track for the school year and help them to be more prepared while teaching them important time management and planning skills.

- If digital calendars work better for you, you'll find our Google calendar in the member portal and can sync this to your own family's calendars.
- You can also screenshot calendars and schedules on our website and send them in individual and even family chats. While students can't use their phone while on campus, this can be an important tool outside of WHCT to connect their various schedules.
