

2024 Show Season Information

We are excited to kick off the 2024 show season at Anderwood Equestrian! This year we will be attending shows sponsored by Rolling Hills Saddle Club and Midway Saddle Club. For more experienced, advanced riders, we will be offering Horse Show Venture shows as well. Rolling Hills Saddle Club, Horse Show Ventures and Midway Saddle Club offer year end awards. To see how to qualify, please view their individual websites for information on membership and awards. Please note that qualification for year-end awards for saddle clubs may require participation in a certain number of shows. Links can be found on Anderwood website.

On the following page is a tentative show schedule for this season. Please note, all show dates are subject to change. Riders are not required to attend all the shows! We wanted to provide a schedule that offered a variety of opportunities at different levels of competition. Anderwood will have an IEA team for the 2024-2025 season. IEA sign-up will be in July & August and shows will start as early as September. More information about IEA will be sent out closer to the season opening.

We will need commitments on shows as early as possible to secure dates and timely registration.

The following fees, in addition to show registration fees, are required for each show riders participate in:

- Trainer fee \$75.00 (fee includes pre-show lesson, packing/unpacking, mane pulling, muzzle trimming, show prep and training)
- Hauling fee \$75.00-\$100.00 (dependent on travel distance and number of horses)
- Unpacking fee \$25.00 (only if rider is unable to return to barn after shows)
- Horse Use fee \$50.00 (for riders who do not lease or own the horse they show)

We will be designing a variety of Anderwood Equestrian Team gear. Purchasing team apparel and gear is not required. Information about team gear, pricing and ordering will be sent this spring.

Shows can be expensive! We would love to have sponsors to support our team by helping with expenses and financial assistance opportunities for riders who may need help paying show fees. Please see sponsorship form attached.

If you are unsure what proper show attire entails, this is a great link to get more information:
