Dear Prayer Warriors and Faithful Supporters,

Picture with Thanny the day before I left to return to SA!

**Praise the Lord, I am back home in Port Elizabeth.** The last few months have been hard, but I am so thankful that the Lord allowed me to be a support to Selina and Nathaniel Bergey during the treatment of Thanny's stage 4 cancer. Please continue to keep Thanny in your prayers. It was a huge answer to prayer for Thanny to get a report that there is currently no sign of cancer. Although this is good news, there is still a long road ahead for the Bergey family. In July, Brent and the kids will travel from South Africa to spend a month with Selina and Thanny. Please continue to pray for them and the many follow-up treatments and appointments. For information on Thanny you can go to **Finding Thanny's Song** on Facebook.

It has been so good to reconnect with my LFM team and to get snuggles and love from the little ones. While I was in the states, LFM welcomed a new "little fish". A 1-month-old boy who was abandoned with very little information and no name. Our team has nurtured and loved this little guy and it was such a joy to be able to meet him for the first time.

Getting Snuggles

It is amazing to see the Lord continue to work at Abundant Life Baptist church. **In the last month, 4 people have come to accept the Lord as their Savior.** What a blessing it is to be back with my church family and seeing how the Lord is working in their lives.

Welcoming the Womack Family

This week, we welcomed Matthew and Courtney Womack and their family to South Africa. It is great to have them as a part of our team here and we look forward to seeing how the Lord will use their family in Port Elizabeth.

It is great to see the Lord supply for the needs of the medical and education building. The project, while near completion, has been halted due to some spiritual opposition from the government officials. Please pray that this will all be sorted out quickly and the building can be completed. **While the building is funded, there is still a financial need to furnish the kitchen, which will take approximately \$7500.** I am so thankful to those who have already given towards this project. If interested in helping to meet this need please send to **Daystar Baptist Missions P.O. Box 1193 Barboursville, WV 25504** or online: <https://dbmi.org/give/>  
**Designate: South Africa Clinic.**

Thank you for your continued prayers and support,

*Hannah Bennett*
