

Hannah Bennett, South Africa

Dear Prayer Warriors,

Please pray with me and my family as my mom will be having open heart surgery on February 9th. I will be leaving South Africa on February 2nd and arriving in the US on February 3rd. Lord willing, I will return to South Africa mid-March.

I would ask that you would pray specifically for the following:

- My mom--Leeta Bennett, surgery to go well and a quick recovery
- My dad Brian Bennett and Travis who lives with them
- Myself as I travel, quick and safe return to South Africa
- The rest of my family during all of this
- The doctors as they perform the operation
- That Christ would be glorified in all that happens over the next several weeks

Thank you all for your prayers,
Hannah Bennett
