Spring 2023

Romans 5:1 & 2 Therefore being justified by faith, we have peace with God through our Lord Jesus Christ: 2 By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God.

MINISTRY: From February 9th-20th we helped minister at the Amazing Grace

Gospel Tent at The Florida State Fair. Had many very good conversations where people understood the Gospel and had a time when they put their faith in Jesus for salvation, but needed to hear and understand that their decision was for all of eternity. The joy of seeing them really get truth was really a blessing to see. I talked with a young, eight-year-old boy named Moses, who knew he

needed to be saved. He prayed to put his faith in Jesus while his mother sat there and rejoiced. Steph had a good talk with some young girls, but they had never heard much before about the Lord. So, she gave them some literature to take with them, not wanting to push them into a decision they didn't fully understand.

We are really enjoying working with AGM at fairs because it gives many opportunities to talk one on one with so many people of all ages and backgrounds. Priscilla is also enjoying it and getting more comfortable as she learns how to get people to look at the three doors.

For March 3rd-12th we were preaching at the Daytona Bike Rally. We were blessed to have two friends come to preach and tract with us. One was a street preacher friend from Wisconsin. The other is a friend/evangelist named David Engesath.

He had never gone to anything like it and never dealt with bikers. He did a great job of getting over 2,000 of David Spurgeon's biker tracts out. We enjoyed his fellowship and encouragement.

On March 17th we walked, preaching and handing out tracts to the huge crowd. We were quite surprised at the response of the people. They were friendly and far more took tracts than we have ever seen at this event before. There is another man, from a Baptist church nearby, that we see every year faithfully handing out St. Patrick tracts. Because of the large crowds and the rainy weather, we weren't able to spend any time with the night crowd.

We are now heading the many, many miles to Arizona, to preach for the first time in many years at the outdoor Mormon Easter pageant in Mesa. We will share what happens there in the next letter.

FAMILY: After the pageant, we will get to see many of our children and their families when we gather for Caleb and Abby's wedding. We are all looking forward to that, as it is getting harder to get us all together very often. We are well and have avoided the sicknesses we have encountered so far.

PRAYER: 1) Safety traveling and no vehicle troubles. 2) Wedding details to come together and for all to go smoothly. 3) Continued direction for ministry. 4) Salvation for family and the people we meet.

God bless all who pray and support this ministry.

Larry, Stephanie, and Priscilla Craft
