

Faithful is he that calleth you, who also will do it. 1Thessalonians 5:24

Dear Pastors and Co-laborers,

October-December 2022

Let me begin by wishing you a happy new year in the name of our Lord and Saviour Jesus Christ! I pray that each of you had an opportunity to spend some valuable time with friends and family over this past Christmas and New Year. Missy and I thank you all as you continue to faithfully pray for and support us and the ministry here in Yokosuka.

We are excited about what God is doing in Yokosuka and have been blessed to see two souls saved over the last few months. These two also followed the Lord in believers baptism and are growing in His wisdom and understanding. Thank you for your faithfulness to our Heavenly Father as you support worldwide missions. This is fruit that will abound to your account as you continue to serve and minister where God placed you.

During the month of October we had the privilege of being a part of the missions conference at two of our sister churches here on mainland. First, Missy and I went to Iwakuni Japan to visit with the Knight family. Brandyn Knight is the pastor of Faith Baptist Church and they are doing a fantastic job reaching the local military/civilian population. Next, we were able to be at Yokota Baptist Church about two hours north of us. Danny McKittrick is the pastor of the church there and they are also doing a fantastic job reaching their local military/civilian population for Christ. Please pray for both of these works as they step out in faith and support missions around the world for Christ.

November rolled in with all the usual business of Thanksgiving and many personal birthdays/anniversaries (28th anniversary). We were also blessed to host evangelist Richard Harper and his wife Kim for our Fall Refresh. It was a blessing and honor to meet them and have them bring the Word of God to our church. Many were moved by God and the altars were full every service. Praise the Lord for servants who are willing to travel to Asia and be an encouragement to local churches over here. Please pray for the Harper's as they continue to travel the world ministering to the saints for God's glory.

December we were blessed to reflect on the birth of Christ as each of you did. We are eternally grateful for the reason He came, so we might have life more abundantly in Him.

We have officially move out of the old church building and are in the new one full time. Please pray for safety as we continue to remodel and repair the new facility. Please pray for financial support for the new building and the remaining repairs that must be made. If you would like to help with these endeavors in any way please do not hesitate to reach out to me. Please pray for the salvation of the military personnel stationed here. Please pray for the salvation of local nationals as they come in to hear the preaching of the Word of God. Finally, please continue to lift the people of YBC before the Lord as we continue to grow in His grace and knowledge.
