Greetings in the Name of our Lord Jesus Christ,

We cannot thank you enough for your continued prayers for us personally and the prayers for the ministry God has allowed us to be a part of here in the Netherlands. There have, as usual, been some very exciting things happening and some that are not so exciting. A couple weeks ago, I tested positive again for the plague and it was a bit worse than the first time, but by God's grace, Lisa didn't get it. So, we praise God for that, and even though I've got a few lingering effects, for the most part, we are back on a busier schedule than ever. Discipleship participation has grown, and our evangelism crew is also increasing. All signals that God is doing great things in the hearts of the people He has brought to us to minister to.

The bout with covid was actually a blessing, if you can believe that or not. Because of it, we had to have the church take care of the services themselves and it went very well. I had a young man, who is going through discipleship, teach Sunday School for the first time, one of the other new discipleship students led singing, and one of the men that preached while we were in the States handled the 11:00 preaching service. They are all beginning to take some responsibility for and seeing the importance of the church in their personal lives. Continue to pray for the Lord to work in their hearts about what they can do in the future. This Sunday, one of our other discipleship students completed the program and gave a short testimony about it to the whole church. To see and hear the growth in him was a real blessing to everyone. He has now committed to take on a discipleship student himself and we partnered him with one of our new church attenders. Lisa's discipleship student has nearly completed the program as well, and she has been prepared to take on a student also. This is a real encouragement to both of us, to see the growth in that family. Lisa is doing a children's discipleship program with their children on Wednesday night during adult Bible study.

Please pray for the work here, that the Lord will keep the people focused on HIM and not the crazy things going on in the world. Early next month, we will participate in a Bible conference in Northern Netherlands. Please pray for this conference, that God will use the preaching to help all the churches involved. Please pray for the spiritual growth of all those attending church services. Pray for our health also. Pray that the Lord will continue to use us to make a difference in the lives of the people He puts in our path. Pray for a harvest of souls here in the Netherlands, as continually pray for souls to be saved where you are. Lastly, do not forget to pray for one another!

Love in Christ  
 Eric & Lisa

Souls to impacted by the gospel

Continued spiritual growth in the church

Discipleship participation to increase

Evangelism participation to increase

Upcoming Bible conference

Families to grow in the scriptures
