October/November 2021

Greetings All,

Psalm 105:1 “O give thanks unto the LORD; call upon his name: make known his deeds among the people.” I want to start this report by praising the Lord for keeping us safe on our whirlwind furlough. There were more than a few times when things seemed to be going out of control, but the Lord’s protection was evident to us. Whether it was the near miss on the interstate in Florida or the 80mph tire blowout in Tennessee, we could see that the Lord was not finished with us yet. We are also very thankful for the kindness and generosity of all those we were able to visit and the understanding of those that we could not. We praise God for all of those that are a part of the Lord’s ministry in the Netherlands.

All reports from the Church in the Netherlands have been pretty good since we left there for our furlough, but we are very happy that we are only a little over a week away from our return. There is still much growth needed before it can be given over to a national. We are thankful that while we were on a “day off” while in Louisiana, the Lord gave us the opportunity to serve at the Louisiana State Fair. During the day there, we were able to be a part of 3 people being gloriously saved through the glorious gospel of our Lord Jesus Christ. The Lord also gave us the opportunity to witness to folks all over the country and pass out many tracts while we traveled. We were also very encouraged by the continuous efforts of the Lord’s faithful here in the USA.

Several prayer requests this time. We are getting our Covid tests for our return on December 4, please pray for a negative test. Our return flight is leaving out of Detroit on December 6. Please pray that all of the details of the flight will go as planned, no complications. Also, please pray for our readjustment to the European life after being back for a few months. The Netherlands is getting close to a new lockdown, pray we get back before this is implemented. Pray for the church in the Netherlands, we heard last Wednesday, there are several people dealing with covid. One whole family tested positive and are at high risk because of underlying issues. We will begin searching for a new meeting place for the church when we return. Pray the Lord helps us find the perfect place for the work to increase. Please pray for each other! The opportunity to be discouraged is everywhere, but we don’t need to dwell there!!

- Negative Covid test on Dec 4
- No complications with return flight on Dec 6
- Family sick with covid in Netherlands church
- Maturity in the Netherlands church
- Reacclimating to Dutch life
- More souls to be saved

Love in Christ,
 Eric & Lisa
