## Working Hard In The Summer

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

It has been a busy summer serving the Lord. We had an excellent Vacation Bible school. Over twenty kids were saved. This was a great effort on the part of the whole church. I believe God honors those who serve in the church and when the church is involved God blesses the united effort of all who participate.

In the Month of June we had our annual youth retreat and God worked on our teens. I am thankful for those who surrendered their lives to Christ. The thought of God doing something great through their lives gets me excited, just thinking of the eternal fruit. During this month we also had a music seminar. A church in Mexicali sent their orchestra to teach our church how to play instruments. What a blessing that was, we now have several young people playing different instruments and are now teaching others. When we first started the church we began with a small little recorded hymn player. Now we have two pianist, two violins, two flutes, and a cello. It is awesome to see God do that.

In August we had our Ladies Conference. Mrs. Parada came from Long Beach to teach the Ladies. We had over one hundred ladies attend. It is a lot of work but the investment in ladies lives is priceless. Also during the month of August I was able to go to the state of Tabasco to be a help to several needy churches. We held a youth conference and I did some pastoral counseling to encourage some of the men there. It is also a blessing to invest in men who are serving the Lord.
