

# THE MONTAÑOS

## FINISHING THE YEAR STRONG

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

We have had so much work in the last couple of months that it is very exciting to report. In September we had our family conference and God Worked in peoples lives. Missionary Bob Walker from Tijuana, Mexico was our speaker for this conference.

In October we had a special conference focused on the Occult, so much in Mexico has to do with witchcraft and there is so much confusion about the subject that we did a two day conference just to study what the Bible says about it. It was also in this month that we began our seeding project. This was a newspaper that we did with the complete gospel printed in it, along with some helpful articles about marriage and finances. We were able to hand out over 30,000 of them. We took it to all the doors we could. We have had some visit the church because of it, and by faith I know we have planted much gospel seed for the glory of God.

In November we had our annual friend day. Over twenty visitors and eight people saved for that one service. What a blessing to see God work. In December we had a few activities but our Christmas eve service was packed with visitors. We are praying to be able to reach more of them as we do follow up visitation.

### Family Info:

THANK YOU FOR YOUR PRAYERS! We continue to ask

for prayers for our son Luis Jr. He will be starting a special alternative treatment here in the upcoming weeks. It will take a weekly visit for an hour, we are expecting a year before we see the results. Please pray with us that treatment will show results and bring correction to his foot and pain problems. Also, for God's provision as this is an alternative treatment that is not covered by insurance. But we feel this is worth it if we can avoid surgery.

### Prayer needs:

1. Luis' Jr. Foot situation (wisdom in knowing what to do)
2. Our spiritual life/ Boldness in witnessing- seeing souls saved
3. Provision for the completion of our home remodeling.
4. Church van
