

THE MONTAÑOS

THE WORK CONTINUES

Greetings from the Montañó family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

Things have been moving along, in the month of September we had our second soul winning training. Our goal has been to have 70 people from our church taking the gospel out to Hermosillo. We have met our goal and passed the line. There were over 70 people who took the training. Our soul winning has taken us to almost finish knocking the entire city. We need a couple of more housing tracks and we

would have finished taking the gospel to every door we have been allowed to Knock. There are many closed housing tracks that we are praying about options to taking a church invitation to. But we are so thrilled as it has been our goal to knock on every door in our city.

Also during the month of September we had our family Confrence. Pastor Jerry Collins from Lancaster Baptist Church was our guest speaker. We were thankful for all the decisions that were made.

In the month of October I was able to participate in the Leadership Confrence in Lancaster California. It was such a blessing for me to be able to be encouraged and to receive great training to help me reach more people for Christ.

With Covid guidelines in some sense we have not been able to fully open, technically, but we are still inviting people. Many are still scared and sadly some have used this time to get away from the Lord. We pray for revival on the part of God's people who have used Covid as

their excuse not to be faithful to the Lord. Please pray for us we continue to encourage the faith and faithfulness of many believers.

We continue in our Children's ministry remodel. We have a launch date for the first Sunday in February of 2022. Hopefully things will be in a decent condition to be able to use them and have children Sunday school classes.

Prayer needs:

1. Wisdom in ministry during these times.
2. Our spiritual life/ Boldness in witnessing- seeing souls saved
3. Provision and guidance for the completion of the church remodeling and transition
