Dear Colaborers:

We **thank you for your prayers and financial support** and count it a **privilege** to continue to be your missionaries to Honduras. Thank you so much for your **prayers** for Alba. We just returned from Texas for her doctor appointment that was on May 4th. We **praise the Lord** that she received a great report from the tests and the doctor. He said that all her tests' results are great and that she looks healthy. Please continue to pray for **ALBA'S health and strength**. She continues to have pain in her nerves and joints from the chemotherapy last year.

Please pray for our **mission church, CALVARIO**. Satan has provided the excuse of COVID for people to not attend. We are basically rebuilding. On "Good Friday", we had a **field day** at a local botanical park with **youth** from three different churches. We had a time of games, singing, and **Bible study** in the morning and Missionaries Bro. J.D. and Vanessa Young fixed hamburgers. My parents were also there with the youth from their church, and Pastor Polo with his. We had more games and another Bible study after lunch.

We observed the **Lord's Supper** in the church service on Resurrection Sunday. It was a sweet time of fellowship. We are having all our regular scheduled services now. One day one of the young ladies **volunteered** to start teaching a children's Sunday School class. On Saturdays, we go out and pass out gospel tracts in the downtown area. **Please pray we will see souls saved.**

Thank you again for your faithful prayers and financial support. May God bless you greatly.

Yours with Hope for Honduras,

Leslie and Alba Priday
