“They that sow in tears shall reap in joy”

This verse from Psalm 126 has been on our minds the past two months as we consider the need to fervently pray for the lost in Chbar Mon. We are grateful to take the “precious seed” of God’s word and to water that seed with prayer.

After 9 months of slowly teaching God’s Word and through much prayer, Mey and Lee-na both believed on Jesus for salvation at the end of November! There has indeed been much “rejoicing” in our home. Both teenage girls have begun to come to our Sunday morning Bible study and are learning more and more about what it means to follow Christ. Thank you so much for praying for their salvation!

“He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him” Psalm 126:6

FAMILY NEWS

A LOSS IN THE FAMILY

We were saddened by the death of Naomi’s Grandpa who passed away in Arkansas at the end of October. We praise God that he was saved as a young adult and left a godly legacy for his family.

A CHRISTMAS VISIT

We are grateful to be home for a quick Christmas trip to see our families. We have been able to see Naomi’s grandma in Arkansas and comfort her, preach in New Mexico and California, and spend time with family. This is the first time that our families have met our new daughter.

We will be returning to Cambodia on December 30th.

New Tracts

We were recently able to get an old tract redesigned and printed for use in our city. The most common retort to the Gospel message in Cambodia is that all religions are the same. This tract shows that no one can perfectly keep the law of any religion and are therefore guilty of sin. Interestingly, a Cambodian proverb teaches that one sin destroys a boatload of merit. Man cannot depend on himself for salvation - He needs God! Please pray that God would use these tracts and the accompanying video (viewed online through QR code) to work in the hearts of people.

Thank You

We want to thank each of you for being so very generous and thoughtful throughout this past year. We have been so encouraged by the faithful prayers and support of all our ministry partners. Many of you have sent us notes of encouragement, birthday cards, and anniversary cards. Thank you! We pray for you on a regular basis and pray the Lord blesses you greatly in the coming new year.

New PO Box in Cambodia

For those who wish to send cards to us in Cambodia, we now have a local PO Box where we can reliably receive mail. The address is:

Yummy!

1 Deep Fried Grasshoppers

During the second week of November, boat races were held in our city in conjunction with the national holiday called The Water Festival. Every year, thousands of people gather to watch the long boats being paddled by teams of 8 or more men. During these three days there is a carnival atmosphere with lots of street vendors and rides for kids. One popular treat that you can buy off the street is deep fried grasshoppers, locusts, and silkworms! Randy tried the silkworms but none of us were too keen on trying the grasshoppers. Maybe next year. 😊

Prayer Requests

- Salvations: Meng, Chetra, Sorya
- Pray for more adults to participate in Salvation Bible Studies
- Pray for safety as we travel back to Cambodia on the 30th of December.
- Pray that God would work in the lives of the children in the Bible Club, and that they would have a desire to learn more one-on-one.
