## The Power of God

We are encouraged to know that the power of God unto salvation does not reside in our abilities but in the Gospel! As you live in a foreign country, you are regularly confronted with your own frailty and inability. Many aspects of a culture are not readily apparent; cultural understanding is found “in between the lines”. In spite of our weakness, God’s Gospel is powerful!

In September, a man named Su-’rin began meeting with Randy for a salvation Bible study. After multiple meetings, Su-’rin made a profession of faith in Jesus. Since that time, however, he has faced much pressure from Cambodian society and no longer wants to meet with us for our worship service. Please pray that God would do a convicting work in his heart.

During the past two months we have continued to meet Mye, Sor-’ya, and Lee-’na, three teenaged girls, for salvation Bible studies. Of the three, Mye is especially tender and open. Please pray that Mye will put her faith in Jesus for salvation.

## FAMILY NEWS

### LANGUAGE LEARNING

Jewel and Joy are both picking up more and more of the Khmer language. Jewel continues to attend a Khmer school in the mornings where she studies with other Cambodian kids.

### A BOLD WITNESS

Recently we overheard our daughters talking to a young man from next door. In a mixture of (mostly) English and Khmer, they were excitedly telling him that Jesus died on the cross to take away his sins. They then gave him a tract and invited him to come for Sunday morning Bible study. We thank God for their tender hearts and desire to tell others about Jesus!

Sor-'ya has heard the truth, but continues in unbelief; pray that God would do a work in her heart. Lee-'na recently moved away to a nearby village; please pray that we can continue studying with her.

Our door-to-door evangelism time has been very beneficial these past several months as we have had many opportunities to give an extended Gospel presentation. A man named Chet-'tra has recently begun a salvation Bible study with Randy. Please pray that Chet-'tra would continue to be open and responsive to the Word.

We are thankful for the good spirit and good attendance in our Kid's Bible Club. After spending many months teaching through foundational stories in the Old Testament, we are now studying the life

of Christ. It has been a blessing to see the children pay close attention to the truths being shared with them and to hear them express their understanding.

## “Whose shoes?”

Before entering a home (or even some shops), it is the custom to remove your shoes in Cambodia. During our Kid's Bible Club on Sundays, there is quite the hodge-podge of sandals and flip flops at the front of the door. Often, as the kids head home, there are a few moments of chaos as two kids have miss-matching sandals while the youngest one can't find theirs at all!

Recently, we noticed an extra pair of sandals at our door on a Monday morning. We figured the barefoot owner would be by soon to claim the abandoned footwear. We soon realized that would not be the case as Naomi's sandals were now missing from the entryway!

## Prayer Requests

- Salvations: Sor-'ya, Mey, Lee-'na, Srey Neet, Chet-'tra.
- Pray Su-'rin would follow Jesus in spite of persecution.
- Pray for Randy as he teaches two sessions at an upcoming Men's Conference.
- Pray that God would work in the lives of the children in the Bible Club, and that they would have a desire to learn more one-on-one.
