

THE MONTAÑOS

Soul Winning Group

FULL STEAM AHEAD

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

MARCH

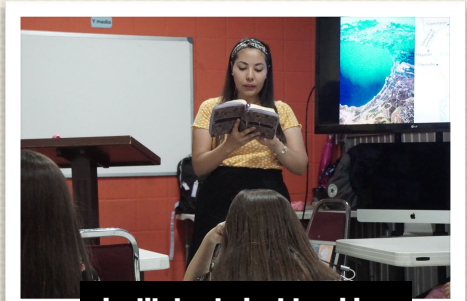

March was record breaking for us when it came to our soul winning program. Our goal was 100 soul winners, we had 102. This is our time when we train people in how to lead a person to Christ. We endeavor to keep adding people so that we can train them in the area of souls saved. In the month of March we also hosted our first children's ministry

training conference. A child evangelist from the state of Monterrey here in Mexico came and trained Sunday School teachers and workers in their area of ministry. We have seen the benefits of this conference greatly influence our children's ministry. Also, this month there was a special commitment from many families in the church. Several of them decided to join the special "Gideons Army" -and have committed financially to give toward our church savings fund for a future property or land. Please join these precious people to see God provide for them in amazing ways and that he may be glorified as we see God provide land, building or property.

May God be honored in this sacrificial giving.

APRIL

April is another very busy month. We had our Resurrection musical in which we had over 20 first time visitors and the gospel was shared. I also got to preach at a youth conference in Mexicali, Mexico where

Institute student teaching

800 teens attended. What a blessing it was to see God work in the lives of those young people.

MAY

May is a special month because it is our Anniversary of starting Hermosillo Baptist Church. We celebrated 14 years of ministry here in Mexico!! Time goes by so fast. We had our Anniversary conference the 15th-17th, Pastor Galvan from Arizona preached for us.

This month one of our next Bible Institute graduate was questioned in oral examination. We are so excited the Instituto Bautista del Noroeste (Northwest Baptist Institute) will have another laborer better prepared for the harvest. Joan is a young man who got saved in our ministry and is looking for

a place to plant a church. There is also Daniel Navarrete — another young man from our church that is raising support to plant a church in the border town of San Luis Rio Colorado in Mexico. Our Heart has always been to church plant and fill cities with the Gospel. God has answered our prayer by calling young people from our church into His harvest. As I write this, we have 6 in our bible Institute and three more that will be added next semester.

Prayer needs:

1. Wisdom in ministry during these times. / *Asking for special prayer for our christian school ministry. We will have a graduation

ceremony with 10 students celebrating the next step in their education! Please pray with us for wisdom and guidance and provision for this special ministry.*

2. Our spiritual life/ Boldness in witnessing- seeing souls saved
3. Blessing the “Gideons Army” as they give by faith to a new property or land.
