Dear Co-laborers:

Greetings from hot, dry, and dusty Honduras. The dry season has extended longer than normal, affecting the crops that should have been planted several weeks ago. People suffer from allergies due to the smoke from forest fires and the dust. Thank you for your prayers and notes of encouragement. It is a privilege to continue to represent you in Honduras. I am striving to continue to do what God called me to do many years ago and what Alba and I did together for many years.

Praise the Lord that recently a single man named Javier has joined our mission church. He was saved in the States and went to a Bible Institute in Costa Rica. He worked in a church a few years in Nicaragua and recently returned to Honduras. He is excited to start serving the Lord with us and loves to go on visitation. Also, a young lady who came as a toddler asked to talk to me about being baptized, so I will be baptizing her soon. During Holy Week, I was privileged to preach at my parents' mission church. We had joint services, including a sunrise service. I also was asked to preach at the family camp of a church from a large city two hours from here at the nearby lake. Javier went with me. They are always a blessing to be around.

I will be resuming a ministry I had before COVID, teaching older elementary school students in a night school. Please pray that we will see souls saved and added to the church through that ministry. There will be about fifteen students from ages 13 to 26.

The last week of July, I will be helping my parents in a medical brigade with a group from Heritage Baptist Church of Haslet, Texas, near Fort Worth. There will be a gospel outreach during the patients waiting time. Please be in prayer for that special week.

Thank you again for your faithful prayers and financial support. I covet your prayers. May God bless you greatly. Please change immediately the address of the IBFI where you send our support or correspondence. The new address is:
