Mular's August '23 Message

Hello dear friends,

We greet you from Buenos Aires wishing you God's greatest blessings from our Father above!

The last couple of months have been full of fruit and we thank the Lord for that. The following are folk who came to know the Lord and were they are in their Christian walk. . .

- **Nicolás Ruiz** (36) was saved after a Sunday morning service on June 11th and has come twice to services since then. He said he would like to bring his sister next time.

- **Elisa Ruberto** (54) Trusted the Lord as her Savior, that same Sunday but in the evening service. Lilita Mendoza a long-time member of the Church invited her. They both work in the school system and have known each other for 20 years. After being told that now she can pray straight to God, she asked Lilita to come to her home and help her get rid of "the gauchito gil", her gruesome idol. Lilita brings Elisa to Sunday night services.

- **Mariana Cenzano** (40), **María Hoffman** (59), and **Graciela Muñoz** (69) were invited by another lady from our Church, Claudia Nuñez to come to a ladies meeting, Marty was teaching and all three came to know the Lord. Of the three, Graciela has come twice to the morning services.

- **Gladis Díaz** (59) and **Milena Canillam** (12) were led to the Lord Sunday night, June 25th using the tract "[We Have Good News for you](#)" in Spanish. Gladis, who has been coming Sunday nights, was amazed at the changes she is experiencing in her life, "I used to be very vindictive", she said. I preached, Lilita brought her, Sandra led her and, . . . The Lord gave the increase! Glory to God!

- **Damian Vera** (36) Our son Pastor Jorge preached Sunday morning, July 2nd. After the service, Lucas Rodriguez and I had the privilege of leading him to Christ. Damian has been living with Belen and they have a precious 4-year-old boy.

The Mulars in Argentina

- **Cristian and Yanel Besada**, our 4–6-year-old Sunday School teachers said that on that same morning Sofia y Lautaro asked Jesus to become their Savior in their class.
- **Leandro Aguilar** (26) is a neighbor of our grandson Marcos whom he befriended playing soccer. He came to Church July 23rd. Marcos preached that night and had the privilege of leading Leandro to the Lord on their way home using the *“We Have Good News For You”* tract in spanish.
- **Enrique Ball** (74) lives a couple of blocks from the church. As our 18-year-old grandson Matias and I canvassed house to house, the Lord opened his heart to receive Jesus as his Savior - also using *“We Have Good News For You”*. Enrique was born the same month and year as I was, only ten days later. The thought came to mind afterwards, “what if we had not gone out visiting that Saturday afternoon?”

*“We Have Good News For You”
“Te Traigo Buenas Noticias”*

As you can see brethren God has been mighty gracious and His power to save has not diminished. Let's join the angels in haven in praises to our Savior Jesus Christ!

Join us in praying for these new babes in Christ. Will you?

Thank you for investing in our family and the souls of Argentina, we could not do it without you!

Your friends,

Al & Marty Mular
