Dear Pastor and Church:

Wow I can't believe how time has flown since my last letter. Please forgive my delay in writing. It has been hard to sit down and write a letter. Thank you for your prayers and notes of encouragement. I celebrated my birthday, Alba's birthday, and our anniversary. It is a **privilege** to continue to **represent** you in Honduras. Most of you have heard that **my Mother had a stroke May 29<sup>th</sup>** while they were in the States for her medical checkups. Praise the Lord that she is **recovering well**. Please continue to pray for her complete recovery.

I have some exciting news; our son Edgar and his wife Alexandra have a **new baby boy** born June 26. I will finally get to meet **Judah** on a quick trip in September.

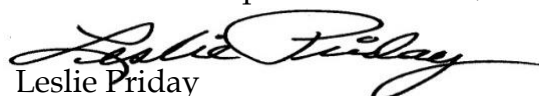

In July, I was able to help with a **medical group** at my parents' mission church from Heritage Baptist Church of Haslet, Texas, near Fort Worth. They brought eyeglasses, medicines, vitamins, and a portable ultrasound machine. In four days, they **saw 631 people** for medical issues and 334 with eyesight problems, many needing eyeglasses. Each person received a tract, a John and Romans booklet, and in small groups were witnessed to while they waited. We had about ten volunteers from our church also. We praise the Lord that **103 people received Christ as their Savior!** The group attended both of our mission churches and Pastor Eric Crawford preached with me translating.

One of the young adults in our mission church that grew up in the church asked me one day why we didn't have youth service anymore. Because of COVID we had canceled them and had not started them again after my return. **She volunteered** to organize the games and the refreshments. This has been a **blessing** and the teens enjoy it.

**Thank you** again for your faithful prayers and financial support. I covet your prayers. I still have many hard days. May God bless you greatly. Please change immediately the address of the IBFI where you send our support or correspondence. The new address is:

**IBFI Mission Agency**

Yours with Hope for Honduras,
