GETTING THE GOSPEL OUT!!!

Gospel Power

We praise the Lord for a wonderful **Vacation Bible School** this summer!

Our church family worked hard on passing out thousands of VBS flyers to invite our community out to this special Monday-Friday kids program with Bible stories, games, crafts, and snacks.

We praise the Lord for a record of at least 174 kids that came this year to our VBS!

We praise God for 13 children that were personally dealt with about salvation and received Jesus as their Savior! Please pray for us as we follow up with these children and families. Thank you for your investment in the Gospel work here in Ethiopia!

“For I am NOT ASHAMED of the GOSPEL of Christ: for it is the power of God unto salvation to every one that believeth.” What a privilege to proclaim the Gospel every week in many different ways in 3 different languages here in Ethiopia! Although we know from the Word of God that much of the Gospel seed sown is scattered, choked, or taken away, we praise God for the Gospel seed that falls on the good ground! We recently had 3 ladies who had been saved follow the Lord in believer’s baptism! Another young man who was saved years ago out of false religion is now growing in the Lord tremendously and being used by God to serve Him. I have the privilege of taking Teddy through personal discipleship right now. He has begun helping to translate and has a willing heart to serve in any way. He is also learning to play the guitar. This is thanks to our summer intern, Celestine, who

came to help us for 2 months with our music ministry. She was a great blessing in many ways, especially in our music ministry. She sang specials and taught keyboard, guitar, and ukulele lessons to a number of our church folks. We praise God for hearing the Gospel that changed us in song all throughout the summer!

We are blessed as well for the great work God did at our VBS this year! Read more about it in the side column. For over 5 years, we have not had a car here. Thanks to the

generosity of a number of churches, we have recently been able to purchase our own car and get our Ethiopian drivers licenses! We are already using this car for God’s glory to do the work of the Gospel ministry! We ended August by having a “Getting the Gospel Out” Missions Emphasis Sunday with 2 Ethiopian evangelists! Pray for us as we preach the Gospel!!!
