“And my tongue shall speak of thy righteousness and of thy praise all the day long.” Psalm 35:28

Dear Prayer Warriors and Faithful Supporters,

Solid Rock Baptist Church

Thank you all so much for your continued prayers. Exciting things are happening at Solid Rock Baptist Church. Our Sunday School program continues to thrive and grow, the kids love coming and learning from God’s Word. Praise the Lord, all the funds came in for the church to be able to purchase a property. The next steps include getting a building ready to meet in and getting the proper permits in place to be able to hold services. The property currently has two buildings. The plan is to convert one of these buildings into a main worship center and the other into a place to hold Sunday School. Please pray that this will not be a long process and we can get into the building possibly by the end of the year. Along with our regular services, we continue to hold Sunday afternoon service at the homeless shelter which is always a great blessing to attend. We also have a Wednesday Night Bible Study and Friday Night Youth. The kids love coming on Friday night for a fun time and learning from God’s Word.

Holiday Clubs

In June, our church hosted a Holiday Club at our church with an Under the Sea theme and the children learned about Jonah. It was a great time of fun, games, songs, and learning about the Lord. In July, we did another two-day Holiday Club, but this one was in the Walmer Township. Each day, over 120 children came to sing songs, and hear a Bible lesson in the Xhosa language.

Bible Studies

In July, myself and Courtney Womack had the opportunity to start a Bible study in the Walmer township. This is where our bus kids come from and also where we do our Holiday Clubs. We have several families who come from this area and we wanted to try and get to know some of the ladies and some of the children’s mamas, so we felt compelled to start a ladies and teen girl Bible study. So far it has been a real blessing and we look forward to what the Lord will do through this ministry.

I am also holding a ladies Bible study at the homeless/drug rehab shelter. We are currently studying Women of the Bible in both of these studies and it has been exciting to see the women’s desire to learn from God’s Word.

Medical Ministries

CPR classes have been going amazingly well. I have had the opportunity to teach a total of **21 students** free of charge thanks to your donations. So many people have voiced how appreciative they are for being able to take the class and learn life saving skills. It is because of your sacrificial giving that these individuals are able to attend these classes and learn these skills. On September 23, we have a Medical Screening outreach planned to screen for high blood pressure and diabetes. Please pray for us as we also will give out the Gospel during this event. **Please pray for me on November 10, 2023 as I will be taking my South African Nursing exam.** It is nothing like the exams in America and to say that I am nervous would be a bit of an understatement.

Thank you for your continued prayers and support,

Hannah Bennett
