

### **Greetings from Yokosuka, Japan**

We wish to thank each of you for your faithfulness to pray for and support us as your missionaries to the U.S. Military. We pray you are all doing well and are looking forward to Thanksgiving/Christmas with your families and friends.

As many of you know, we are raising funds for the purchase of our church facility. We have a deadline of December of this year. If we can not meet the deadline, we will lose the facility and all the funds that have been already put into the renovations and purchase thus far.

God has been providing and people have responded. There are many people and churches that have generously donated toward the facility. We initially needed \$250,000 to complete the purchase and have been blessed to see \$180,000 come in via love offerings and low/no interest loans. We are down to the wire. This time next month we will be meeting to make preparations for the final payment.

We are still \$70,000 shy of the purchase price. The purpose of this update is twofold: First, please continue to earnestly pray with us concerning this need. We trust God is working in the hearts of people and we are excited to see the final outcome! Second, if you are planning to give and have not been able to do so yet, please consider doing it this month as it is the last month we have to raise the needed funds.

Donations can be made through BIMi. Please annotate that it is for account #1428 Yokosuka Baptist Building Fund. If you do not know the available options for giving through BIMi here is their website:  
<http://www.bimi.org/giving/home.php>

Thank you for your consideration and prayers toward this need. Please feel free to contact me if you have any questions. God bless.

Stu and Missy Jellison  
Missionaries to the US Military and local community in Yokosuka Japan
