Dear Prayer Warriors and Faithful Supporters,

**Solid Rock Baptist Church**

Work has begun at the new church property to make it ready for the church to move services there permanently. We hope to be able to hold services there early in the New Year. It is always a blessing to come to church and see how excited the children (and adults) are to come to Sunday School and how much they are learning from God’s Word. Our church continues to hold Sunday afternoon services at the shelter each Sunday. I so enjoy seeing the joy on the people’s faces as I get to spend time with my second church family. They are such a blessing to me. It is an encouragement to see their desire to hear the preaching of God’s Word and to lift their praise to the Lord through song.

**Friday Night Youth**

Every Friday Night, we have an energetic bunch of kids who come and sing songs, play games, and hear teaching from God’s Word. In November, we had an all-time high of 36 kids. I have had the privilege of working with the kids in learning the Books of the Bible and we have recently finished ALL 66 BOOKS. It is so exciting to see children from the ages of 5 years to 18 years, so eager to come to church and to have such a desire to learn about the Lord.

**Bible Studies**

The ladies Bible studies continue to be a great time to reach the ladies and get to know them a little better while sharing the truth of God’s Word. The Bible study at the shelter has been a real blessing and I have seen the ladies grow so much. I had the opportunity to share from God’s Word with one lady some Biblical truths about Jehovah’s Witnesses. I am still praying that she chooses to follow the Lord. She still continues to attend the Bible studies each week and for this I am thankful. Each week, I have the opportunity to teach between 15-20 ladies and I am amazed at what the Lord is showing them through His Word.

**Medical Ministries**

For the last 2 months, I taught 16 ladies at the homeless shelter Family and Friends CPR. This brings the total of students that I have had the opportunity to teach to **37 students**. It is because of sacrificial giving that I can offer these classes free of charge. So many people have voiced how appreciative they are for being able to take the class and learn life-saving skills. **THANK YOU! On November 10<sup>th</sup>, I took my South African Nursing Exam.** Thank you to all who prayed and for those who emailed words of encouragement. I think that it went well. Many have asked when I will have the results, to be honest, I do not know, but am excited to see God work. I am also excited to see how God will use my nursing here in South Africa in the future.

**FURLOUGH**

**I will be returning to the US for furlough and will be booking meetings starting the beginning of the year.** I am in need of raising more funds to increase my support level. If you are interested in having me come to your church or know of a church that would be interested in having me come with the desire to support my ministry in South Africa, please contact me at [h.bennett@dbmi.org](mailto:h.bennett@dbmi.org).

*Merry Christmas and Happy New Year,
