

**Merry Christmas and Seasons Greetings from Yokosuka, Japan**  
Merry Christmas to each of you. We pray you have a great Christmas season celebrating the birth of our Lord and Saviour with your family and friends. We also wish to thank each of you for your faithfulness to pray for and support us as your missionaries to the U.S. Military.

As many of you know, we were raising funds for the purchase of our church facility. We had a deadline of December of this year. I am excited to announce that God, through each of your prayers and generous donations, has provided for the needed funds. We have been overwhelmed by the love and generosity of each of you who have stepped up and taken part in what God is doing here in Yokosuka. We have reached our goal and have begun the process of transferring the funds to our Japanese bank.

Please pray with us that everything goes smoothly and as we sign for the building on December 21 God will receive all the praise and glory for what He has accomplished. Also, please pray for the salvation of our realtor. She has seen God move time and time again throughout this entire process and has seen our faith in Him blessed with His provision.

We trust God will continue to bless you all as you serve Him where He has planted you. We also thank you for holding the ropes back

home as we strive to honor Him and spread the Good News to the U.S. Military and local population here in Yokosuka. Again, thank you for your faithfulness, your support, and your prayers. We pray you have a great Christmas and look forward to seeing many of you as we are on furlough next year. Please feel free to contact me if you have any questions. God bless.
